Subject: RE: PacifiCorp's Additional Comments of Central Relevance - Docket EPA-R08-OAR-2012-0026

I have had time to look at the additional comments. There are two main points, both of which they have made previously. The difference is that they made more general comments on these issues but have now pulled in the legal arguments from the ND case. I will setup a short call for tomorrow as per Aaron's request.

Subject: FW: PacifiCorp's Additional Comments of Central Relevance - Docket EPA-R08-OAR-2012-0026

I am assuming we would go ahead and address their additional comments as we have done in the past. Thoughts?
